**PETITION PURSUANT TO 37 CFR § 1.182 FOR CORRECTION OF ERROR IN INVENTOR'S NAME
IN CERTAIN PATENTS AND PATENT APPLICATIONS**

To the Director:

The Director is hereby petitioned to correct the error in the sole inventor's name in the patents and patent applications listed in Schedule A attached hereto. The inventor's name was incorrectly identified in the applications and patents as Gabriele Mazzarolo. The inventor's correct official name is Giovanni Mazzarolo. It is noted that there is no change in inventorship. The current petition requests only correction of the name of the inventor.

The inventor's name was incorrectly identified in the applications and patents, set forth in Schedule A, as Gabriele Mazzarolo. "Gabriele" is a nickname used by the inventor. However, the inventor's official given name is "Giovanni." Thus, it is respectfully requested that the applications and patents set forth in Schedule A, attached hereto, be amended to reflect the inventor under his correct official given name, Giovanni Mazzarolo.

In support of the current petition, enclosed herewith are statements from the inventor, Giovanni Mazzarolo, and the assignee of the patents and patent applications, Alpinestars Research SrL.

Enclosed herewith are four completed forms PTO/SB/44 for Certificates of Correction for the patents listed on Schedule A (namely, U.S. patent numbers 6,725,577; 6,883,256; 6,854,129; and , 6,817,029).

The Director is hereby authorized to charge the fee for this petition, as set forth in 37 CFR § 1.17(f), and the fee for each of the Certificates of Correction, as set forth in 37 CFR 1.20(a), to Deposit Account No. 50-1290. It is believed that no other fees are due with this petition. However, if any other fees are due with this petition, the Director is authorized to charge such fees to Deposit Account No. 50-1290.

Favorable consideration is solicited.

Please direct any inquiries regarding this petition to the applicant's undersigned attorney, who may be reached directly by telephone at (212)940-8712.

Respectfully submitted,
